Corporate Jet Investor events are the market-leading conferences in the calendar for connecting and informing the dealmakers & decision-makers of business aviation.

**Corporate Jet Investor Asia** is the premier event in the region dedicated to developing business aviation. This conference is a unique opportunity to understand the region and promote yourselves to like-minded professionals in this sector.

The 2025 edition will once again bring together a **cross-section of 300+** leading financiers, operators, brokers, OEMs, FBOs, MROs, lawyers, insurers, appraisers and many others involved in Asia's fast-moving fleet.

With over **14 hours of scheduled networking time**, you will multiply and strengthen your connections with business aviation leaders at cocktail receptions, lunches, refreshments, and The Dealmakers Dinner.

A lot of work goes into the agenda to ensure content remains **relevant and lively**, and our sli.do system ensures the audience can have their say with live polls and anonymous Q&As.
