

CORPORATE JET INVESTOR MIAMI 2025

November 4 - 6, 2025 | Fontainebleau Miami Beach

Post Event Report

Welcome

CORPORATE JET INVESTOR
MIAMI 2025

All we can say is: Wow.

Thanks so much to everyone who attended Corporate Jet Investor Miami 2025 and made it one of our best events yet.

The mood, driven by a strong market was upbeat; the sessions were memorable (Michael Amalfitano got the record for throwing an American football); and the networking was awesome – from poker to yoga, from breakfasts to the after party).

Thanks so much for joining us in 2025. We cannot wait until November 16 – 18, 2026. We will be back at Fontainebleau Miami Beach but in their new purpose-built convention centre.

Warm regards,
